Resident/Owner or Business of Thorsby,

RE: Construction Notice

As part of the 2026 Road and Watermain Improvements project, the deep utilities and surface improvements in your area is to be upgraded. Tentative schedule for construction start is the week of May 19th. Road Closures will be in effect with detours around the work zones during the performance of this work and will include:

- 53rd Avenue
- 54th Street

Alternative parking will be required. Residents are asked to park at the rear of their homes where possible and side streets not impacted by construction. For any additional clarification pertaining to parking, please contact a Pidherney representative as noted below.

Access to back alleys will be maintained for resident access. It is our intention to complete construction by September 30th, weather dependent. However, we intend to return front access to your home as soon as the road is returned to a gravel state.

Due to construction activities in the area, Canada Post may choose to temporarily discontinue mail delivery at their discretion until clear access can be provided. If your mail service is interrupted, please contact Canada post at 1-866-607-6301 to confirm location where mail can be received.

Hours of Construction will be from 7 am to 7 pm Monday to Saturday. Sunday work and evening work may also be required as weather and schedule requirements dictate. In these circumstances the noise bylaw of 7 am to 10 pm from Monday to Saturday and 9 am to 10pm on Sunday will be adhered to.
